

## CERTIFICATION

To: Board of Listers or Assessor  
From: Robin Castine, Multifamily Operations Analyst  
Issue Date: January 27, 2025  
Re: Property Tax Valuation; Qualified Rental Units (Act 68) Certification

This is in regard to:

- ❑ Property Name: 747 Hartford Avenue
- ❑ Owned by: 747 Hartford Ave LP
- ❑ Managed by: Twin Pines Housing Trust
- ❑ Location: 747 Hartford Avenue
- ❑ Town/City: Hartford
- ❑ Parcel or account number: 43-74-1
- ❑ School Property Account Number (SPAN): 285-090-15478
- ❑ Percent of the building that is residential: 100%
- ❑ Number of qualified rent restricted units: 18
- ❑ Total number of units: 18

The land and building associated with this SPAN number is entitled to a reduction of 10.00 of the assessed value for purposes of calculating the state educational tax. Due to these rental restrictions, this certification is valid through transfer of the building, upon expiration of the rent restriction, or 2035 whichever first occurs.

This calculation is computed as: the number of qualified rent restricted units divided by the total number of units multiplied by the percent of the building that is residential and then divided by 10.

For example:

$$((18 / 18) \times 100\%) / 10 = 10.00$$

Once this certification expires, a representative of the housing project must re-apply to the Vermont Housing Finance Agency (VHFA) by March 1, 2035 for re-certification if there are still rent restricted units eligible for this re-assessment.
